Other Chatham Sites

Chatham Community Center 702 Main Street (Route 28)

The Community Center is the old Main Street School. It is located just shy of the rotary at the "head" of downtown Main Street in Chatham and located next door to the Chatham Mobil Station. Getting there is just an extension of the first set of directions to Chatham Elementary School, as Route 28/Main Street runs parallel to Depot Road. Therefore directions are as follows:

From Orleans: Route 28 South to North Chatham traffic lights. (A full set of lights beyond the blinking light at Crowell Road.) Turn right at the lights onto Old Harbor Road (still Route 28). Follow Route 28 to the rotary, and bear right past the Chatham Mobil Station on the corner (Getty Station across street). The Chatham Community Center driveway is located next to the Mobil Station (with a dirt driveway between the two properties). Front of building is a two story brick building and parking is in the right rear of the property. The main entrance is located off the parking area.
